## **Dodd Blasts UN on Congo**

Washington, Sept. 13 (AP).

— Sen. Thomas J. Dodd (D-Conn.) in a Senate speech today accused the UN of installing by force a “pro-Communist” government in Katanga. He called for prompt withdrawal of U. S. financial support for the UN Congo force unless the UN actions in Katanga are reversed.

London, Sept. 13 (UPI).— The British government today expressed “regret” over UN-Katangan fighting and said its ambassador to the Congo had been asked to seek “clarification” of the situation from Secretary General Hammarskjöld.
